

## **Springy 4th Game Rules**

Join the hunt to find discount emojis that have been hidden across our website.

Some discount emojis will be in plain sight while others harder to find!

When found, click to reveal discount codes ranging from \$5 to \$50 off your entire order!

The value of a code will not be known until used.

Codes will have a limited amount of uses.

If a code does not work, it means it has reached its use limit and is no longer active.

This means multiple people can find the same code but only a certain number of people will be able to use it at checkout.

This makes it important to find as many codes as you can to increase your chances of finding one that hasn't been used!

Codes are **STACKABLE**. You can use multiple codes during checkout for larger cart discounts!

The website will unlock at 12:00 PM PST/ 2:00 PM CST/ 3:00 PM EST and will lock at 2:30 PM PST/ 4:30 CST/ 5:30 EST.

Codes will become active at 3:00 PM CT / 5:00 PM CT / 6:00 PM ET and will expire at Midnight.

**HAPPY HUNTING!**
